

A SAVIOUR'S BORN TODAY  
By Paralee Eadie  
(Sing to the tune of "Jingle Bells")

That first Christmas morn  
Jesus Christ was born.  
Men both great and small  
Came unto that stall  
Where the baby lay  
Asleep upon the hay,  
And the angels sang His praise,  
A Saviour's born today!

Chorus:

Oh! Praise the Lord. Praise the Lord.  
Christ was born that day.  
He grew up, was crucified  
To wash our sins away.

Praise the Lord. Praise the Lord.  
Christ was born that day.  
Open up your heart right now,  
And He'll come in to stay.
