

# FIREFIGHTER LOST

By Paralee Eadie

She has made the supreme sacrifice;  
She gave her life protecting others.  
The Bible says there's no greater love  
Than to lay down your life for another.

She had no desire to die, Lord,  
Yet she knew there was always a chance.  
Ever with a prayer on her lips, Lord,  
She bravely faced each circumstance.

Today there's no danger or trouble.  
She's safely tucked in eternity,  
Rewarded for laying down her life  
And fully putting her trust in Thee.

We ask You to bless her family, Lord.  
Also bless those who fought by her side.  
May Your presence fill that empty gap,  
Be their Saviour, Provider, and Guide.
