

HAND IN HAND WITH GOD

By Paralee Eadie

To show My tender, loving care
To little ones and others,
I placed a part of My heart
In the heart of every mother.

Through every mother's heart I show
That every child is My creation,
Gifted, unique, and loved by Me,
So I've given her dedication.

I've given her a heart to serve,
Determination that never ends,
The protecting strength of a she bear,
And a forgiving heart that mends.

I've placed My hope in her heart,
So even if her lambs should stray,
She'll persevere in prayer, trusting,
They'll come back to Me one day.

We have a partnership, she and I,
We see what many do not see,
The hopes, the dreams, the potential
In each child created by Me.

So I've crowned her with the sweetest name,
A name that is like no other,
A name that bears My heart and strength,
The honorable name of Mother.
