

THE CHRISTMAS STAR
By Paralee Eadie

God set in the heavens
A star so bright
To mark the birthplace
Of the Christ child that night.

A light in the sky
To guide all who would see
To Jesus, our Saviour,
Who sets all men free.

Who ransomed His life
On Calvary's cross
To pay for man's sin
That none may be lost.

Keep that light burning
So brightly in me
That others see Jesus
And Him only in me.

That those lost in darkness
Will be guided to You
As they see Jesus
In all that I do.

“Let your light so shine before men,
that they may see your good works,
and glorify your Father which is
in heaven.” Matthew 5:16
