

THE ROAD AHEAD

By Paralee Eadie

We have our plans, our hopes, our dreams.
The path ahead seems straight and clear.
Our lives are full, our lives are sweet
With many people we hold dear.

As we traveled God's charted path,
It suddenly turned to the right.
So far ahead was this sudden turn,
It was completely out of sight.

Do we turn right or try to go straight--
On the course that was seemingly planned?
"My full course is beyond your sight,"
Said my Saviour, "Just take My hand."

"Only I know the full path ahead.
DETOUR and STOP signs you're bound to see.
The only sign you need to obey
Is the one that says YIELD unto Me."

"The steps of a good man are ordered by the Lord." Psalms 37:23

" 'For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you hope and a future.' "
Jeremiah 29:11
