

WE'RE BELIEVING GOD

By Paralee Eadie

**We're women of faith.
Our calling is sure.
Victory is ours!
We'll not just endure.**

**We'll stand on the Word
As we wield this Sword,
For we believe God!
Jesus Christ is our Lord.**

**We are who God made us,
Our heritage secure.
We're soldiers of God,
Though we look quite demure.**

**We'll fight the good fight,
Our faith growing strong
As we walk with our Lord.
Praise God! Is our song.**

**We'll chase the devil
Out of our promised land.
We're women of faith!
In Christ Jesus we stand!**

**Women of faith
Where 'ere our feet trod,
We'll shout Hallelujah!!!
We're women of God!**
